

Welcome to the

First Open International Workshop of the

Multidisciplinary European

Low Dose Initiative

- MELODI -

in Stuttgart

September 28th – 29th, 2009

Workshop Agenda: Monday, September 28th, 2009

11.30 - 13.00 Welcome Coffee and Reception

13:00 - 15:00 Opening Plenary Session

13:00 - 13:10	Introduction and Welcome Address	Wolfgang Weiss
13:10 - 13:35	Expectations of the European Commission	Simon Webster
13:35 - 14:00	Views of the World Health Organisation	Maria del Rosario Perez
14:00 - 14:30	Rationale and Recommendations of the HLEG	Wolfgang Weiss
14:30 - 15:00	Introduction to MELODI	Jacques Repussard
	Introduction into working sessions	Thomas Jung

Workshop Agenda: Monday, September 28th, 2009

Introduction into working sessions Thomas Jung

15:00 - 15:30 Coffee and Tea Break

15:30 - 19:00 Open Working Group Sessions

19:30 Workshop Dinner

Workshop Agenda: Monday, September 28th, 2009 15:30 - 19:00

Working Group Session	Chair/Rapporteur	Room
<u>Shape of Dose Response Curve for Cancer</u>		
WG 1A Radiation Quality	Mats Harms-Ringdahl	Hesse 2
WG 1B Tissue Sensitivity	Harmen Bijwaard	Hesse 1
WG 1C Internal/External Exposure	Dominique Laurier	Hesse 3
<u>Individual Radiation Sensitivity for Cancer</u>		
WG 2A Radiation Quality	Anna Friedl	Kepler
WG 2B Tissue Sensitivity	Rafi Bentomane	Daimler
WG 2C Internal/External Exposure	Kai Rothkamm	Discussion
<u>Non-Cancer Effects</u>		
WG 3A Radiation Quality	Paul Schofield	Mörike 1
WG 3B Tissue Sensitivity	Colin Muirhead	Heuss-Knapp
WG 3C Internal/External Exposure	Jean-Rene Jourdain	Mörike 2

Workshop Agenda: Monday, September 28th, 2009 15:30 - 19:00

Working Group Session	Chair/Rapporteur	Room
<u>Shape of Dose Response Curve for Cancer</u>	Simon Bouffler	
WG 1A Radiation Quality	Mats Harms-Ringdahl	Hesse 2
WG 1B Tissue Sensitivity	Harmen Bijwaard	Hesse 1
WG 1C Internal/External Exposure	Dominique Laurier	Hesse 3

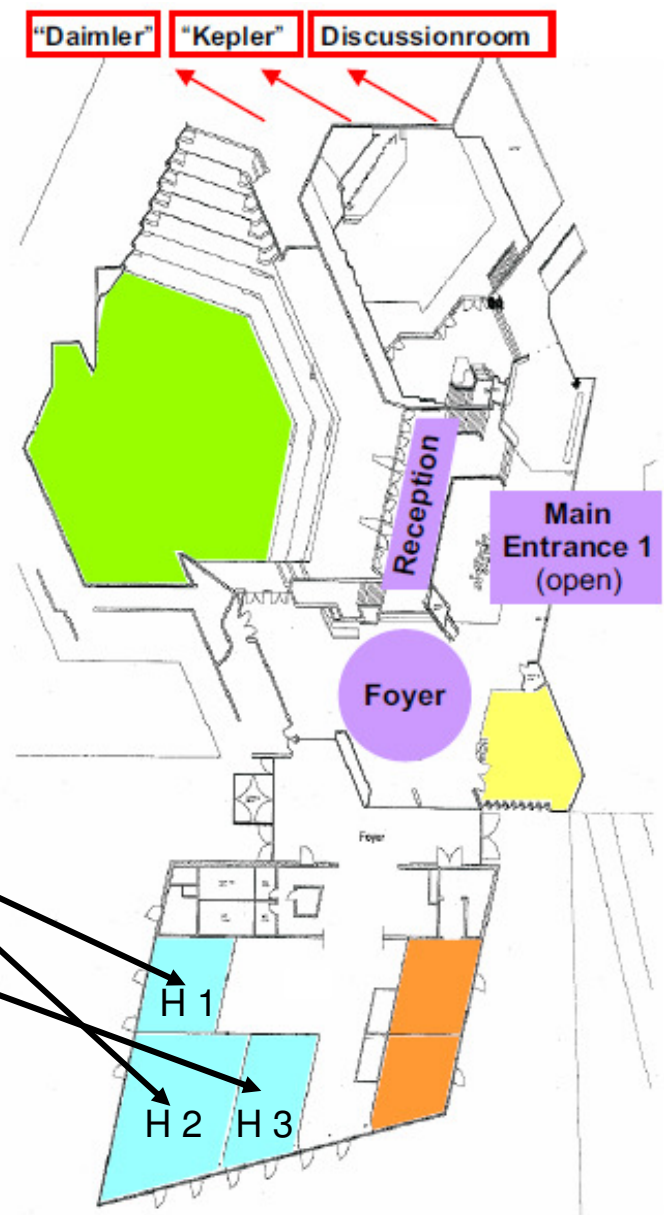

Working Groups:

Shape of Dose Response Curve for Cancer

Chair: Simon Bouffler

- 1A Radiation Quality Room „Hesse 2“
- 1B Tissue Sensitivity Room „Hesse 1“
- 1C Internal Exposure Room „Hesse 3“

Herman Hesse (1877-1962):
A German Swiss poet, novelist, and painter.
Nobel Literature Prize Laureat, 1946
Best known work include „Steppenwolf“, „Siddhartha“, and „The Glass Bead Game“.

Workshop Agenda: Monday, September 28th, 2009 15:30 - 19:00

Working Group Session	Chair/Rapporteur	Room
<u>Individual Radiation Sensitivity for Cancer</u>	Mike Atkinson	
WG 2A Radiation Quality	Anna Friedl	Kepler
WG 2B Tissue Sensitivity	Rafi Bentomane	Daimler
WG 2C Internal/External Exposure	Kai Rothkamm	Discussion

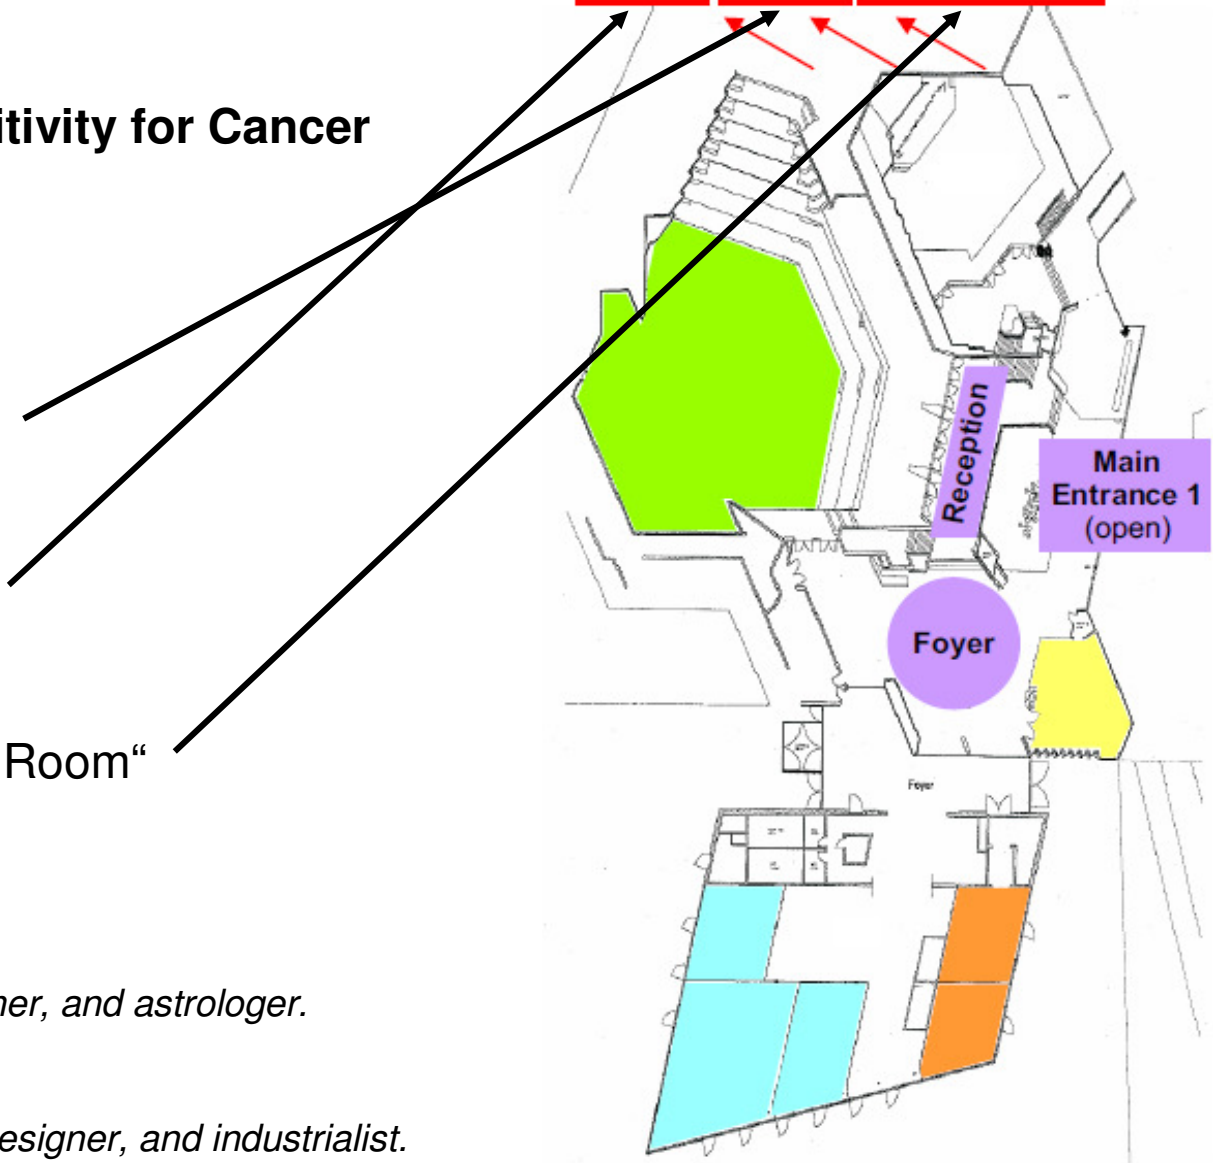

Working Groups:

Individual Radiation Sensitivity for Cancer

Chair: Mike Atkinson

- 1A Radiation Quality Room „Kepler“
- 1B Tissue Sensitivity Room „Daimler“
- 1C Internal Exposure Room „Discussion Room“

“Daimler” “Kepler” Discussionroom

Johannes Kepler (1571-1630):

A German mathematician, astronomer, and astrologer.

Gottlieb Daimler (1834-1900):

A German car engineer, industrial designer, and industrialist.

Workshop Agenda: Monday, September 28th, 2009 15:30 - 19:00

Working Group Session	Chair/Rapporteur	Room
<u>Non-Cancer Effects</u> WG 3A Radiation Quality WG 3B Tissue Sensitivity WG 3C Internal/External Exposure	Patrick Gourmelon Paul Schofield Colin Muirhead Jean-Rene Jourdain	Mörike 1 Heuss-Knapp Mörike 2

Working Groups:

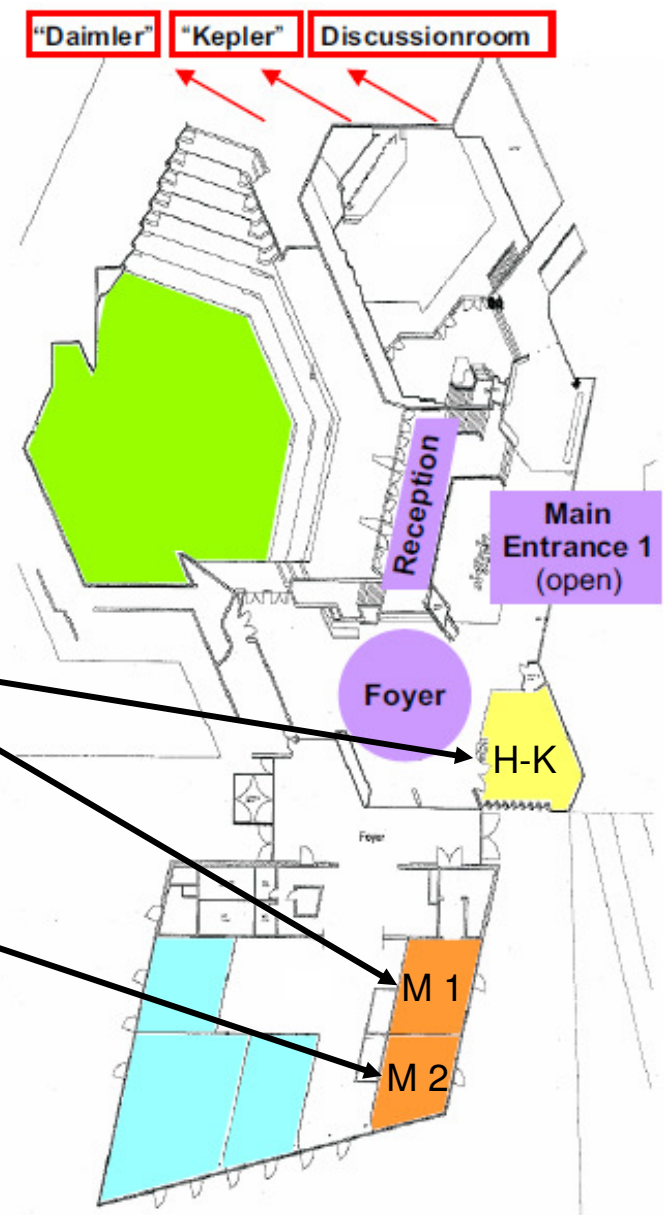

Non-Cancer Effects

Chair: Patrick Gourmelon

- 1A Radiation Quality Room „Mörrike 1“
- 1B Tissue Sensitivity Room „Heuss-Knapp“
- 1C Internal Exposure Room „Mörrike 2“

Eduard Mörike (1804-1875):
A German Lutheran pastor and romantic poet.

Elisabeth Heuss-Knapp (1881-1952):
A German liberal politician, founder of the “Müttergenesungswerk”, a charitable organisation to promote the interests and well-being of mothers.

Workshop Agenda: Tuesday, September 29th, 2009

08:30-10.00: Open Working Group Sessions
(open to all participants)

WP 4 Infrastructure

Chair: **Laure Sabatier**
Rapporteur: Elisabeth Cardis
Room: Hölderlinsaal

WP5 Education and Training

Chair: **Andrea Ottolenghi**
Rapporteur: Vere Smyth
Room: Hesse 2+3

Working Groups:

Infrastructure

Chair: Laure Sabatier

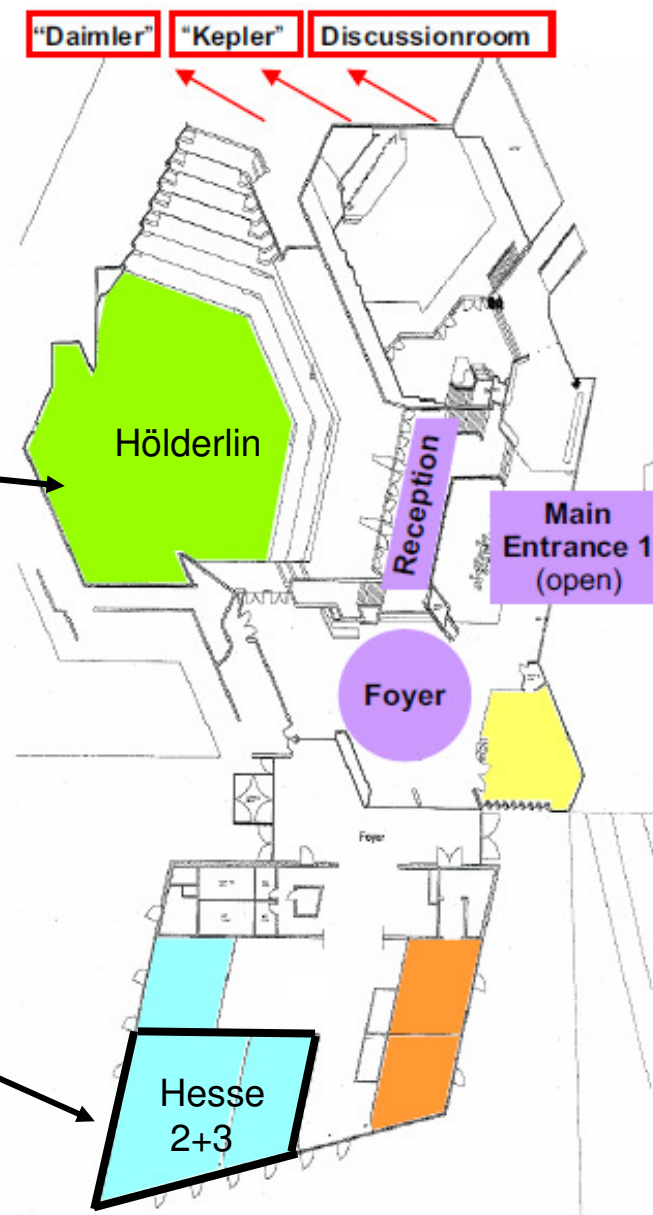

Room „Hölderlin“

Education and Training

Chair: Andrea Ottolenghi

Room „Hesse 2 and 3“

Friedrich Hölderlin (1770-1843):
One of the greatest German poets.

Workshop Agenda: Tuesday, September 29th, 2009

10:30 - 11:00	MELODI: Some more explanations	
10:30 - 11:00	Next Steps for the Process of Setting Up the MELODI Research Platform and Final Discussion	Jacques Repussard
11:00 - 15:15	Reporting and Planary Discussion	
11:00 - 11:45	WG 1 „Shape of Dose-Response Curve for Cancer“	Simon Bouffler
11:45 - 12:30	WG 2 „Individual Radiation Sensitivity for Cancer“	Mike Atkinson
<i>12:30 - 13:30</i>	<i>Lunch</i>	
13:30 - 14:15	WG 3 „Non-Cancer Effects“	Patrick Gourmelon
14:15 - 14:45	WG 4 „Infrastructure“	Laure Sabatier
14:55 - 15:15	WG 5 „Education and Training“	Andrea Ottolenghi

Workshop Agenda: Tuesday, September 29th, 2009

15:15 - 18:00

MELODI-Conclusions and Closing Sessions

15:15 - 16:00

Panel Discussion:

Low dose risk research in Europe
and the next steps in setting up MELODI

Simon Webster
Jacques Repussard

Moderation:

Wolfgang Weiss

16:00 - 16:30

Coffee and Tea Break

16:30 - 17:45

Panel Discussion:

Research priorities identified for low dose risk
research and the medium term road map

Yamashita Shunichi
Nenoi Mitsuru
Barrett Fountos
Dudley Goodhead
Wolfgang Weiss

Moderation:

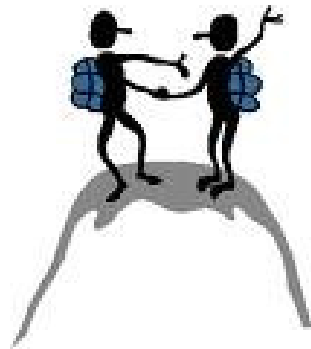

17:45 - 18:00

Conclusions and Workshop Closing

Wolfgang Weiss

**Thank you for coming
Have a good trip home**

Good Bye
